Editor's Introduction

Journal of Information Management is an academic journal published by Chinese Society of Information Management as a platform for information management researchers' publication and research sharing. Since the first issue published in 1994, this journal has been published over two decades, and each year has four volumes published at the first month of each quarter, namely, January, April, July, and October, respectively. Journal of Information Management is an TSSCI journal of National Science Council.

This Volume 26, No 1 issue contains four papers from various areas, as follows: "An Automatic Clustering System with Dynamic Clustering Artificial Bee Colony Algorithm"; "Investigation of Viewers' Intention to Support Social Media Celebrities"; "Transnational Sentiment Analysis of Social Media for CSA Social Enterprise Innovation – From the Perspective of Sharing Economy and Collaborative Consumption"; and "Analyzing Online Reviews from Users' Perspective and Identifying the Software Quality Characteristics of Mobile Apps".
